Company Announcements
ASX Limited

TRADING HALT

The Directors of Entek Energy Limited, (ASX Code: ETE) request a Trading Halt in the Company's securities.

Overnight the United States Court of Appeals Tenth Circuit published publically its ruling on Entek GRB, LLC, vs Stull Ranches, LLC.

Entek was unaware that the ruling was to be publically published.

The ruling appears to be very favourable in regards to Entek's efforts to gain access to key parts of the Focus Ranch Unit.

The Company is currently reviewing the ruling and seeking legal opinion.

Once the Company fully understands the ruling and the positive impact it has on the Focus Ranch Unit asset the Company will be making a more detailed release to ASX, which we expect to be able to make by Monday 18 August, 2014, upon which the trading halt will be lifted.

As required by ASX Listing Rule 17.1, Entek provides the following information:

- The Trading Halt is requested pending legal confirmation of the implications of the court ruling;
- The Trading Halt is requested for the period ending 8.00am on Tuesday 19 April 2014;
- It is expected that the trading halt will end following the release of the announcement concerning the court ruling;
- Entek is not aware of any reason why the Trading Halt should not be granted; and
- Entek has no other information necessary to inform the market about the Trading Halt.

Kind regards,

Nerida Schmidt
Company Secretary
