

Entek Board Appointment

Entek is pleased to advise that Mr Howard Dawson has accepted an invitation to join the Entek Board as a Non-Executive Director.

Mr Dawson, B.SC (Geol.) had an 11 year career as a geologist before entering the securities industry as a research analyst in 1987. Over the subsequent 20 years he fulfilled a number of complimentary roles with the securities industry including research, corporate advisory, business development as well as managerial responsibilities and Directorships for firms including Hartley Poynton, McIntosh Securities, Merrill Lynch and ABN AMRO Morgan's Limited.

Since then Howard has served in various non-executive chairman and directorship roles for companies including migme Limited, Tangiers Petroleum, Nevada Iron and Uranium King Limited. He is currently the Executive Chairman of Discovery Capital Limited, an unlisted investment company and specialises in accessing and structuring project and investment opportunities across a wide range of industries.

Graham Riley, Chairman of Entek, commented:

"Howard brings significant experience to the Entek Board with both his technical and corporate background as well as his extensive network and access to deal flow. He is an invaluable addition to the current Board as part of Entek's strategy to diversify its oil and gas portfolio."
